

AUDA StreetScape Update December 21, 2011

CONSTRUCTION PROJECT UPDATE

From December 21st–December 28th, please anticipate construction work to continue between Elder’s Station & Pine Street on Lincoln Way. No construction work will occur on Friday, December 23rd and Monday, December 26th due to the holiday.

Hemington Landscape will be completing the irrigation, soil amendments and plantings over the next two weeks. Hansen and Hemington will be working on various construction contract close out items once the plantings are complete.

Please anticipate some delays on Lincoln Way. We regret this inconvenience and ask our residents, businesses and visitors to be patient and considerate during the project. The construction will occur over the next few weeks.

Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder’s, near Depoe Bay and off E. Placer St.
